Abandonment - Route 44

(Item 2) The Commissioner made the following determination and order abandoning that portion of Route 44 known as Main Street, Pennsville, which is replaced by the taking over of Lower Ferry Road:

Whereas, in accordance with the provisions of the Statute in such cases made and provided, the State of New Jersey has heretofore taken over a certain road as part of State Highway Route 44, and

Whereas, by reason of the construction of Ferry Road in Lower Penns Neck Township, Salem County, which is being taken over as a part of the State Highway System, there is a certain portion of Route 44 heretofore used as part of the State Highway which is no longer needed,

Now, Therefore, I, E. Donald Sterner, State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby determine that the hereinafter described section of highway as shown in red on the attached map is no longer needed for the use of the State of New Jersey as a part of its State Highway System and do hereby determine to abandon said portion in accordance with the provisions of Title 27 of the Revised Statutes, and in accordance with resolution adopted by Lower Penns Neck Township on March 29, 1940.

Beginning at the intersection of the Pennsgrove-Salem Road and Main Street, Pennsville; thence along Main Street in a westerly direction a distance of about 1200 feet to the old entrance to the Pennsville-New Castle Ferry Wharf.

Be it Further Determined that a copy of this Order be certified by the Secretary of the State Highway Department and by him forwarded to the Township of Lower Penns Neck and County of Salem.

NOVEMBER 13, 1940

Taking Over - Route 44

(Item 3) The Commissioner made the following determination and order taking over as a part of State Highway Route 44, the portion of Pennsgrove-Salem Road and Lower Ferry Road, as described therein:

Whereas, under the provisions of Title 27 of the Revised Statutes, the State Highway Commissioner may take over any route, routes or parts thereof or relocations of those routes designated in the Act,

Now, Therefore, I, E. Donald Sterner, State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby designate and take over as a part of the State Highway System the following described road:

Beginning at the intersection of the Pennsgrove-Salem Road and Main Street, Pennsville; thence (1) along the Pennsgrove-Salem Road in a southerly direction a distance of about 100 feet to Ferry Road; thence (2) along Ferry Road in a westerly direction a distance of about 1400 feet to the new entrance of the Pennsville-New Castle Ferry Wharf, as shown in red on the attached map.

And Be It Further Ordered that notice be given that the right be and the same is hereby reserved, in accordance with the provisions of the said Title 27 of the Revised Statutes, to abandon or vacate at some future date all or any portion of the road described above, the discontinuance of which may be deemed necessary for the improvement of the existing line and grade, and when abandoned any portions thereof which were formerly under local jurisdiction will revert to the governing body that previously had jurisdiction over the same.

Be It further Ordered that the Township of Lower Penns Neck and County of Salem be given notice that they are required to file with the State Highway Department within thirty (30) days of the date hereof, any agreements or copies of franchises they may have with any public utilities or other company, firm, individual or corporation affecting the construction, maintenance or use of the above described road.

It is Further Ordered that a copy of this Order and Determination be certified by the Secretary of the State Highway Department and by him forwarded to the Township of Lower Penns Neck and County of Salem.

It is the intention and purpose of this Determination and Order to take over effective immediately as part of State Highway Route 44 the above described road together with its intersections with intersecting roads and streets, and hereafter the said road will be maintained as a State Highway by the State Highway Department subject to the provisions hereinabove set forth.

Grade Crossing Elimination,Haddon
Avenue & Keys-Milford Rd.,Berlin;
Pennsylvania-Reading Seashore Lines

(Item 2) The Commissioner ratified the placing of advertisements for bids for the construction of grade crossing eliminations at Haddon Avenue and Keys-Milford Road, in the Township and Borough of Berlin, Camden County, on the Pennsylvania-Reading Seashore Lines, Federal Aid Grade Crossing Projects FAGM 6-B (1) and FAGM 26-A (2); the same having been approved by the District Engineer of the Public Roads Administration.

Route 6, Section 12
Passaic River Bridge

(Item 3) The Commissioner approved of the Gray Construction Company's subletting to the Morris County Mosquito Extermination Commission, the removal of 11,000 cubic yards of channel excavation in connection with the contract for construction of the bridge over the Passaic River on Route 6, Section 12, in accordance with the usual regulations.

Route 4, Section 40

(Item 4) The Commissioner approved the General Property Key Map for Route 4, Section 40, Englishtown Road to Gordon's Corner, as revised and corrected, for filing in the office of the Clerk of Monmouth County.

Route 6, Section 11, Bridges

(Item 5) The Commissioner accepted the completed work on the contract of the Tidewater Stone & Supply Company, for construction of bridges over the Passaic River and Passaic River Flood Channels on Route 6, Section 11, and authorized the making of final payment thereon, when the necessary formalities have been observed.

Route 25, Sections 1,2 and 3,
Signal Bridges, etc.

(Item 6) The Commissioner accepted the completed work on the contract of Selbach-Meyer Company for the construction of signal bridges and electrical work on Route 25, Sections 1, 2 and 3, and authorized the making of final payment thereon, when the necessary formalities have been observed.

Route S-24, Sec. 3

(Item 7) The Commissioner accepted the completed work on the contract of the Standard Bitulithic Company for the construction of Route S-24, Section 3, Elmora Avenue, Elizabeth, and authorized the making of final payment thereon, when the necessary formalities have been observed, subject to a penalty in the amount of $273.68 because of a deficiency in the weight of material used in the construction of CA-BC-2 pavement surface.

Equipment - Rollers

(Item 8) The Commissioner directed that recommendation be made to the State Pubchase Commissioner that contract for furnishing this department with one ten ton Galion Roller and 1 five ton Galion Roller, be awarded to the Galion Iron Works and Manufacturing Company, on their low bid meeting the requirements of the Department's specifications of $5,195.00 for the ten ton roller, and $3,095.00 for the five ton roller, or a total of $8,290.00, less 12-1/2% or a net total of $7,253.75.

Equipment-Truck Sprinklers

(Item 9) The Commissioner directed that recommendation be made to the State Purchase Commissioner that contract for furnishing this Department two Mack Truck chasses, Model EH, on which are to be mounted two (2) 1200 gallon capacity "Brokol" pressure sprinklers, be awarded to the Mack International Motor Corporation, on their low bid meeting the requirements of the Department's specifications of $4,072.51 each, or a total of $8,145.02.

Maintenance Materials-Snow Fence

(Item 10) The Commissioner directed that recommendation be made to the State Purchase Commissioner that contract for furnishing this Department with 115,400 lin. ft. of Snow Fence, be awarded to the New Jersey Fence Company, on their low bid in the total amount of $7,139.77, subject to a discount of 2%-10 days after delivery to each destination.

Maintenance Materials-Rock Salt

(Item 11) The Commissioner directed that recommendation be made to the State Purchase Commissioner that contract for furnishing this Department with 22-1/2 tons of Rock Salt for use in the ice control operations of the Maintenance Division, be awarded either to the International Salt Company or the C. G. Winans Company, on their bid of $12.90 per ton for the material furnished in multi-walled paper bags, subject to a one per cent discount; inasmuch as the award cannot be divided between these two companies as the quantity called for is a minimum carload and the price is based on that fact.

Maintenance Materials-Snow Fence Posts

(Item 12) The Commissioner directed that recommendation be made to the State Purchase Commissioner that the contract for furnishing snow fence posts for use of the Maintenance Division, be awarded to the Sweet's Steel Company on their lump sum bid of $6,368.96, subject to a discount of 1/2% - 10 days.

Motor Vehicle Aid-Somerset Co.

Route 6, Section 13

(Item 1) The Commissioner accepted the completed work on the contract of the LaFera-Grecco Contracting Co. for construction of Route 6, Section 13, Denville to Cobb's Corner, and authorized the making of semi-final payment thereon, when the necessary formalities have been observed, withholding 125% of the contract value of the uncompleted work, amounting to $24,463.52.

Highway - W.P.A.

(Item 2) The Commissioner approved and determined to execute agreement with the City of Estell Manor, through the County of Atlantic, for the improvement of Maple Avenue, Section #2, with the W.P.A.

(Item 3) The Commissioner approved and determined to execute agreement with the Borough of North Caldwell, through the County of Essex, covering the extension of Greenbrook Road; and also approved the request of Essex County to transfer $3,100.00 allotted to Park Place, North Caldwell Borough, in the 1940 dirt road schedule, to this project.

(Item 4) The Commissioner approved and determined to execute agreement with the Town of West New York, Hudson County, for the improvement of Sixteenth Street, Section #2 (Now Sixtieth Street) with the W.P.A.

Motor Vehicle Aid-Cumberland County

(Item 5) The Commissioner approved plans and specifications for construction of Narrow Run Bridge on Cake Road, Cumberland County, Motor Vehicle Aid.

Repairs-Gloucester County

(Item 6) The Commissioner approved the request of Gloucester County to make the following transfers in their 1940 Work Program:

From:	Sched. F, Admin. & Engineering, 1940 Work Program	$ 520.21
	" A, Lighting, 1940 Work Program	891.88
		$1,412.09
To:	" D, Maint. & Extraordinary Repair of Roads, 1940....	1,412.09

Approval was also given to the request to have the balances on roads costing less than the schedule amounts in Schedule D, apply to roads in that schedule which have overrun the schedule amounts.

Repairs-Somerset County

(Item 7) The Commissioner approved the request of Somerset County to make the following transfers:

From:	Franklin Twp., Middlebush Storm Sewer, W.P.A. M-210 (1939)	$ 1650.75
	Lighting (1939)	1163.06
	Lighting (1940)	722.95
		$ 3536.76
To:	1941 Annual Work Program, County Roads & Bridges	3536.76

Motor Vehicle Aid-Somerset County

(Item 8) The Commissioner approved acceptance and authorized final payment for the construction work completed by force account on Middlebush-Franklin Township Road #31, Somerset County, Motor Vehicle Aid, WPA M-210; which is a part of the WPA project being sponsored by Franklin Township.

Township & Boro Aid-Atlantic County

(Item 9) The Commissioner approved the request of Hamilton Township, Atlantic County, to add to its previously approved price agreement for Weymouth-Elwood Road, Section #2; Avenue "B", etc., a rate of $.75 per hour for a 1-1/2 ton truck, without operator.

Township & Boro Aid - Bergen County

(Item 10) The Commissioner approved acceptance and authorized final payment for the construction work and engineering completed by contract on Madison Avenue, Cresskill Borough, Bergen County, Township & Boro Aid, WPA M-382.

(Item 11) The Commissioner approved acceptance and authorized final payment for the construction work and engineering completed by contract on Railroad Avenue, Section #4, Cresskill Borough, Bergen County, Twp. & Boro Aid, WPA M-383.

(Item 21) The Commissioner approved acceptance and authorized final payment for the maintenance work on all roads on the 1940 maintenance schedule of Gloucester County, with the exception of S. East, S. West and S. Marion Avenues, in Wenonah Borough. Approval was also given to using the funds set up on these latter streets on roads completed in Gloucester County in 1940. The Commissioner also approved of using balances that have underrun the scheduled amounts on those jobs that have overrun the scheduled amounts.

Township & Boro Aid-Hudson County

(Item 22) The Commissioner approved acceptance and authorized final payment for the construction work and engineering completed by contract on Center Avenue, Secaucus, Hudson County, Township & Boro Aid. Approval was also given to the State's sharing in the item of sidewalk construction since same is due exclusively to change in grade.

Township & Boro Aid-Mercer County

(Item 23) The Commissioner approved awards of contracts for materials to be used in the work on Witherspoon, Green Quarry, MacLean & Lytle Streets, Princeton Borough, Mercer County, to the low bidders as follows:

MINUTES OF MEETING - MARCH 4, 1941

A regular meeting was held by State Highway Commissioner E. Donald Sterner on March 4, 1941. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Reservation Roads - Fort Dix

(Item 1) The Commissioner approved and determined to execute Project Statement for New Jersey Project FAS-63, covering the preliminary engineering and survey of reservation roads at Fort Dix, for which reimbursement will be made from 1941 FAS allotment under Section 18 of the Federal Highway Act of 1940; the total estimated cost of the survey being $4,000.00.

Repairs - Atlantic County

(Item 2) The Commissioner approved the request of Atlantic County to revise the lighting schedule in their 1940 Work Program to include Blinker Lights on Shore and Tilton Roads to the amount of $42.42, and to increase the charges allotted for Blinker Lights on Delilah and Main Roads to $396.64, and on Delilah and New Roads to $337.62. Approval was also given to the State's sharing in the installation of traffic lights on Shore Road-Tilton Road, Northfield, costing $759.00, and at Five Points in Buena Vista Township, at a cost of $750.00.

Motor Vehicle Aid-Cumberland County

(Item 3) The Commissioner approved award of contract for construction of Harrow Run Bridge at Cake Road, Cumberland County, Motor Vehicle Aid, to Hill & Fox, on their low lump sum bid of $2,949.92.

Motor Vehicle Aid-Salem County

(Item 4) The Commissioner approved plans and specifications for construction of Hancocks Bridge-Salem Road, Salem County, Motor Vehicle Aid.

Repairs - Salem County

(Item 5) The Commissioner approved the revised Annual Work Program of County Roads and Bridges of Salem County for the year 1940, as revised January 17, 1941; the total amount of the revised Work Program being $312,015.00.

Township & Boro Aid-Burlington County

(Item 6) The Commissioner approved acceptance and authorized final payment for the construction work by force account, and engineering, on Hanover Boulevard, Pemberton Township, Burlington County, Township & Boro Aid.

Township & Boro Aid-Camden County

(Item 7) The Commissioner approved acceptance and authorized final payment for the maintenance work on all roads listed in Delaware Township, Laurel Springs Borough, and Winslow Township, Camden County, and also approved of the price agreement as approved for Broadway, in Laurel Springs Borough, applying also to Fairmount, Washington and Hemlock Avenues, in Laurel Springs Borough.

Township & Boro Aid-Cumberland County

(Item 8) The Commissioner approved acceptance and authorized final payment for the construction work by force account on Lore's Mill Road, Downe Township, Cumberland County, Township & Boro Aid.

(Item 9) The Commissioner approved acceptance and authorized final payment for the construction work by force account on Pennsylvania and Bayview Avenue, Downe Township, Cumberland County, Township & Boro Aid.

Township & Boro Aid-Hudson County

(Item 10) The Commissioner approved acceptance and authorized final payment for the construction work completed by contract and engineering on 26th Street (now 70th Street); Guttenberg Town, Hudson County, Township & Boro Aid, WPA M-413. Approval was also given to the cancellation of $31.27 State's share of 1940 funds from 16th Street, Sec. 2 (now 60th Street), West New York Town, and reallotment of same on 26th Street (now 70th Street), Guttenberg Town.

Township & Boro Aid-Mercer County

(Item 11) The Commissioner approved acceptance and authorized final payment for the construction work by force account on Reed-Dey Road, West Windsor Township, Mercer County, and also approved of inserting the following prices in the already approved price agreement for this job: $.65 per hour for operators; $5.50 per ton for Cold Patch material; $1.50 per ton for 2-1/2" Stone and $1.80 per ton for 3/8" Stone.

Township & Boro Aid-Monmouth County

(Item 12) The Commissioner approved cancellation of $2,000.00 State's share of unused 1938 township and boro aid funds from Park Avenue, Union Beach Borough, Monmouth County, and reallotment of this amount to Millstone Township, Monmouth County, for construction of Ely's Corner-Eiler's Corner Road, by force account.

Township & Boro Aid-Passaic County

(Item 13) The Commissioner approved acceptance and authorized final payment for the maintenance work on all remaining roads in Haledon Borough, Hawthorne Borough, Pompton Lakes Borough, and West Milford Township, Passaic County, with the exception of Lakeside Avenue in Pompton Lakes Borough, and all roads in Wayne Township, where no work will be done under the 1940 schedule. Approval was also given to using the balances from jobs which have underrun the schedule amount on jobs which have overrun the schedule amount, and the application of the funds set up for Lakeside Avenue, Pompton Lakes Borough, and for Wayne Township, to the maintenance work in the above municipalities.

(Item 14) The Commissioner approved the request of West Milford Township, Passaic County, to transfer the unexpended balance of $776.45, State's share of 1940 township and boro aid funds, from Warwick Turnpike, Section 6, to West Brook Road.

ORDERS

Prequalification of Bidders

(February 26, 1941) Approval is hereby given to the qualification and classification of John G. English, Inc., as a prospective bidder on highway work with a capacity rating of "Bridge-Class 'I'", as recommended by the Qualification Committee.

Right of Way-Route 1

(February 27, 1941) Approval is hereby given to the acquisition of Parcel T-2 on Route 1, Section 9, from the Lehigh Valley Railroad Company, in accordance with their offer to convey same by fee simple to the State for the sum of $2810.80 including all damages to the remaining property; and authority is given to Mr. VanTine, General Solicitor, to forward a letter to this effect to the Board of Commerce & Navigation.

It is further ordered that the action of November 13, 1940 in reference to this parcel be rescinded, and that the application as made to the Board of Commerce and Navigation be revised to include Parcels T-1A and T-1B; all of the above being as recommended by John Franssen, Senior Right of Way Agent, and James Logan, State Highway Engineer.

Raccoon Creek Bridge

(February 28, 1941) IT IS HEREBY ORDERED that all of the bids received today for construction of the Raccoon Creek Bridge and Approaches on the Woodbury-Auburn Road at Swedesboro, Gloucester County, Federal Aid Secondary Project FAS 47-A (1), be rejected in view of the fact that the low bid is so far in excess of the engineer's estimate of cost, and that this project be readvertised for new bids.

Services-Right of Way

(February 28, 1941) Approval is hereby given to the designation of Seely Cade, 26 Journal Square, Jersey City, New Jersey, as an approved appraiser, for use as and when his services may be required in connection with the appraisal of property required for State Highway right of way in Hudson County, as recommended by James Logan, State Highway Engineer.

MINUTES OF MEETING - MARCH 11, 1941

A regular meeting was held by State Highway Commissioner E. Donald Sterner on March 11, 1941. The Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 29, Sections 3B, 2C & 1C

(Item 1) The Commissioner accepted the completed work on the contract of the Franklin Contracting Company for construction of Route 29, Sections 3B, 2C and 1C, from Public Service Electric Railway to Morris Avenue, and authorized the making of semi-final payment thereon, when the necessary formalities have been observed, less the sum of $50,812.90, representing 125% of the contract value of the uncompleted work.

Route 6, Section 12,
Passaic River Bridge

(Item 2) The Commissioner accepted the completed work on the contract of the Gray Construction Company for construction of the Passaic River Bridge on Route 6, Section 12, with the exception of 7530 cubic yards of channel excavation which cannot be performed until spring, and authorized the making of semi-final payment thereon, when the necessary formalities have been observed, less the sum of $2,447.25, representing 125% of the contract value of the uncompleted work, plus the sum of $1,593.35 as liquidated damages for non-completion of the project within the contract time, or a total retainage of $4,040.60.

Abandonment-Route 12

(Item 3) The Commissioner made the following Determination and Order, abandoning those portions of the old road which have been replaced by the construction of Route 12, Section 2, Croton to Flemington:

WHEREAS, there has heretofore been taken over by the State Highway Commission as a State Highway a certain road known as State Highway Route 12 (Revision of 1927) and

WHEREAS, upon the construction and improvement of State Highway Route 12, Section 2, Croton to Flemington, there are certain portions of the road heretofore used as parts of the State Highway which are no longer needed as parts of the State Highway System.

NOW, THEREFORE, I, E. Donald Sterner, State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby determine to abandon as parts of the State Highway System, certain portions of the old road as hereinafter described and as shown in red on the attached map, in accordance with the provisions of Title 27 of the Revised Statutes.

Portion #1

Beginning at the intersection of the old road and the new Route as constructed at about Station 552+00; thence along the old road its various courses a distance of about 4.5 miles to the intersection of the old road and the new Route as constructed at about Station 362+0.

Portion #2

Beginning at the intersection of the old road and the new Route as constructed at about Station 553+0; thence along the old road in a southerly direction a distance of about 280 feet; thence still along the old road in an easterly direction a distance of about 275 feet to a connection with the new Route as constructed at about Station 558+0, near the traffic circle at the Flemington-Stockton Road.

(Cont'd)

Abandonment-Route 12 (Cont'd.)

Portion #3

Beginning at the traffic circle at the Flemington-Stockton Road; thence along Mine Street to Main Street, Flemington; thence southeasterly on Main Street to Church Street; thence easterly on Church Street to State Highway Route 30.

BE IT FURTHER DETERMINED that a copy of this Order be certified by the Secretary of the State Highway Department and by him forwarded to the Board of Chosen Freeholders of Hunterdon County, the Boro of Flemington and the Township of Raritan.

Abandonment-Route 6

(Item 4) The Commissioner made the following Determination and Order, abandoning those portions of the old road which have been replaced by the construction of Route 6, Section 11A, Troy Brook to Bloomfield Avenue:

WHEREAS, there has heretofore been taken over by the State Highway Commission as a State Highway a certain road known as State Highway Route 6 (Revision of 1927) and

WHEREAS, upon the construction and improvement of State Highway Route 6, Section 11A, Troy Brook to Bloomfield Avenue, Morris County, there is a certain portion of the road heretofore used as part of the State Highway which is no longer needed as a part of the State Highway System.

NOW, THEREFORE, I, E. Donald Sterner, State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby determine to abandon as a part of the State Highway System that portion of the old road hereinafter described and as shown in red on the attached map, in accordance with the provisions of Title 27 of the Revised Statutes.

(Item 35) The Commissioner rescinded the action as heretofore taken in approving an agreement with Anna Jones (widow) in the sum of $495.00 for Parcel 23 on Route 51, Section 2, Bridgeport to the Swedesboro-Woodbury Road, in view of the fact that this property is encumbered by a mortgage which will have to be foreclosed in order to clear title. The Commissioner further approved an agreement with Mrs. Jones in the sum of $600.00 for the said parcel with the understanding that Mrs. Jones will institute the necessary foreclosure proceedings in order to obtain good title.

Right of Way-Route S41

(Item 36) The Commissioner approved a settlement with Elmer T. and Nellie Flanagan in the sum of $7,628.60 for Parcel 46 on Route S41, Sections 3B and 4A, from Kresson to Route 43, the owners to clear the right of way, and directed that the condemnation proceedings as heretofore authorized be discontinued.

Right of Way-Route 4 Connection

(Item 37) The Commissioner directed that an official offer in the sum of $300.00 be made to Blanche Levy for Parcel 15 on Route 4, Connection to Somers Point Traffic Circle, and in the event of failure to accept or inability to locate owner, that this property be acquired through condemnation proceedings.

Right of Way-Route 44

(Item 38) The Commissioner directed that the previous action authorizing an official offer in the sum of $380.00 to Heirs of the Estate of John O. Sullivan for Parcel 34 on Route 44, Section 10, Bridgeport to Nortonville, be rescinded; and further directed that an official offer in the sum of $380.00 be made for Parcel R-34, which excludes the riparian rights, and in the event of failure of the owners to accept or inability to convey title, that the property be acquired through condemnation proceedings.

Right of Way-Route S41

(Item 39) The Commissioner rescinded the action as heretofore taken in approving an agreement with George M. Henry in the sum of $190.00 for Parcels 24A, 24B and 24C on Route S-41, Sections 3B & 4A, from Kresson to Route 43, in view of the fact that it now appears that Parcel 24B is owned by Gus Sistrunk who cannot be located. The Commissioner further approved an agreement with George M. Henry in the sum of $90.00 for Parcels24A and 24C, and directed that an official offer in the sum of $100.00 be made to Gus Sistrunk for Parcel 24B, and in event of failure to accept or inability to locate the owner, that this parcel be acquired through condemnation proceedings.

Right of Way-Route 6

(Item 40) The Commissioner approved and determined to execute a Quit Claim Deed to George H. Freeman, covering the portion of lots 1 to 4 which was included in the Quit Claim Deed to the State as delivered by Mr. Freeman covering all of lots 1 to 11 inclusive, in connection with the acquisition of Parcel R-137B on Route 6, Section 7, Clifton to Hasbrouck Heights, but which portion was not actually acquired by the State; this action being taken in order to remove any possible doubt as to the validity of the title of George H. Freeman to the balance of lots 1 to 4 lying outside the highway right of way.

Federal Aid Program

(Item 41) The matter of the proposed New Jersey Regular Federal Aid Program for the fiscal year ending June 30, 1942 for submission to the Public Roads Administration,was held over for further consideration.

MINUTES OF MEETING - SEPTEMBER 24, 1941

A regular meeting was held by State Highway Commissioner E. Donald Sterner on September 24, 1941. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route S3, Section 1A

(Item 1) The Commissioner authorized the making of semi-monthly payments to the LaFera-Grecco Contracting Company in connection with their contract for the paving of Route S-3, Section 1A, from Route 3 to Route 2, when such payments would amount to over $10,000.00.

Repairs-Cape May County

(Item 2) The Commissioner approved the award of contract for repair materials to be used in Cape May County during 1941 to the Union Building & Construction Corporation, on their low lump sum bid of $16,604.20 for Items 1, 2, 6, 14 and 19, and $2,572.24 for Items 4 and 4A, as listed in the schedule of bids received on August 20,1941.

Motor Vehicle Aid-Cape May County

(Item 3) The Commissioner approved the request of Cape May County to increase the time specified for completion of North Wildwood Road from fifty to seventy working days, or a time extension of twenty additional working days, Cape May County, Motor Vehicle Aid.

Repairs-Sussex County

(Item 4) The Commissioner approved of inserting in the previously approved price agreement for Ross Corner-Hamburg Road No. 45, Sussex County, Motor Vehicle Aid, a rate of $0.085 per gal. for Tar UD-1, mixed in place, f.o.b. plant.

Repairs-Warren County

(Item 5) The Commissioner approved the request of Warren County to add Broad Street Extension, Washington, to Schedule B, Construction or Reconstruction of Roads, in their 1941 Work Program. Approval was also given the request to transfer the sum of $4500.00 from Good Springs Road to the Broad Street Extension, on Schedule B.

Township & Boro Aid-Atlantic County

(Item 6) The Commissioner approved plans and specifications for construction of Reading and Bayview Avenues, Pleasantville City, Atlantic County, Township & Boro Aid.

(Item 7) The Commissioner approved the request of Somers Point City, Atlantic County, to transfer $4,500.00 of 1941 township and boro aid funds from New Jersey Avenue, Section 2, and Sunny Avenue, to New Jersey Avenue, Section 2, and Johnson Avenue; and also approved the specifications for construction of New Jersey Avenue, Section 2, and Johnson Avenue.

(Item 8) The Commissioner approved the force account price agreements as submitted in connection with 1941 township and boro aid maintenance work on the following roads in Atlantic County: Old Port Republic Road, Galloway Township; Darmstadt Avenue, Mullica Township; Mill Street, Sections 1 & 2, Pomona Avenue, Clarks Landing Road, Riverside Drive and Mill Dam section of Mill Street, Port Republic City; and 10th Avenue in Weymouth Township.

(Item 9) The Commissioner approved the request of the Atlantic County Board of Freeholders to make the following changes in their approved 1941 Dirt Road Schedule: In Egg Harbor Township use the $2,500 set up on Ridge Avenue, English Road and Oakland Avenue as follows: $450.00 for improvement of shoulders and gutters on Frankford, Tulon, Genoa, Palermo, Florence, Cordova, Toledo, Naples, Venice, Granada, Tunis Avenues and Bay Drive; $1600.00 for bituminous surface treatment of Doughty Road from the Pleasantville City Line to Delilah

Township & Boro Aid-Atlantic County (Continued)

Road; and $450.00 for the improvement and graveling of Ridge Avenue from Black Horse Pike to Delilah Road; and in Northfield City use an unexpended balance of $350.00 for ugite treatment of Roosevelt Avenue from Shore Road to Broad Street.

(Item 10) The Commissioner approved the award of contract for construction of 15th, 16th, 17th and 26th Avenues, Longport Borough, Atlantic County, Township & Boro Aid, to the low bidder, Union Paving Co., on their lump sum bid of $4,706.00 for Bituminous Concrete, FABC-1 surface.

(Item 11) The Commissioner approved the award of contract for construction of Monmouth Avenue, Section 2, Margate City, Atlantic County, Township & Boro Aid, to the low bidder, Union Paving Co., on their lump sum bid of $8,506.08 for 2" Bituminous Concrete FABC-1 surface.

Township & Boro Aid-Bergen County

(Item 12) The Commissioner approved award of contract for construction of Grandview Avenue, Wyckoff Township, Bergen County, Township & Boro Aid, to the low bidder, Samuel Braen's Sons, on their lump sum bid of $9,815.03 for Bituminous Penetration Macadam surface using asphalt in penetration.

(Item 13) The Commissioner approved plans and specifications for construction of Sand Road, River Vale Township, Bergen County, Township & Boro Aid.

(Item 14) The Commissioner approved acceptance and authorized final payment for the maintenance work on all roads listed on the 1941 township and boro aid maintenance schedule of Bergen County; and also approved of the balance on jobs costing less than the scheduled amount being applied to those overrunning the schedule. Approval was further given to an additional allotment from the 90/10 fund of $486.50 in order for the State to share in the full cost of the work.

Township & Boro Aid-Burlington Co.

(Item 15) The Commissioner approved acceptance and authorized final payment for the construction work and engineering completed by force account on New Road, Westampton Township, Burlington County, Township & Boro Aid. Approval was also given to eliminating the calcium chloride treatment, with the construction limit of cost to remain at $5,000.00 for .9 mile.

(Item 16) The Commissioner rescinded the action of November 13, 1940 approving force account price agreement for construction of West Greenbush Road, Bass River Township, Burlington County, with the W.P.A. The Commissioner further approved of doing the work on this project by force account, the township to guarantee that at least 40% of the total cost will be expended for labor and agree to complete 1.41 miles of this road and .93 mile of gravel surface thereon for the amount of $3,307.75. The force account price agreement was also approved.

Township & Boro Aid-Camden County

(Item 17) The Commissioner approved of the 1940 township and boro aid funds on Union Avenue and the 1941 funds on Union Avenue, Section 2, Pennsauken Township, Camden County, applying as one project for construction of Union Avenue from Sta. 8+50 at Cedar Avenue to Station 50+33 at Route 25; and also approved plans and specifications for this work, the type surface to be Bituminous Penetration Macadam instead of Bituminous Concrete RK or FABC-1.

(Item 18) The Commissioner approved of changing the length of Branch Avenue in Pine Hill Borough from 2.17, as shown on the 1941 township and boro aid maintenance schedule for Camden County, to 1.625 miles, due to an error when the original application was submitted. The specifications for the surface treatment of Branch Ave. were also approved.

Personnel - Regulations

(September 8, 1941) IT IS HEREBY ORDERED that all orders heretofore made by the State Highway Commissioner relative to vacations and sick leaves with pay, for employees of the State Highway Department, are hereby rescinded.

In keeping with rules and regulations established by the Civil Service Commission dated August 21, 1941, IT IS HEREBY ORDERED that every permanent full-time officer or employee in the classified service shall be granted annual vacation leave with pay as follows: "One working day's vacation for each month of service from the date of regular appointment up to and including December 31st next following such date of appointment, twelve working days' vacation for each succeeding calendar year up to and including twenty years of service, and sixteen working days' vacation for each succeeding calendar year after twenty years of service. The total years of service after permanent appointment of each such officer or employee in the classified civil service shall be considered in determining annual vacation leave provided under this schedule. In the case of executive or administrative officers the appointing authorities with the approval of the Commission may extend such annual vacation to a maximum period of one calendar month in any one calendar year. When in any calendar year the annual vacation or any part thereof is not granted and taken by reason of the pressure of work, such annual vacation leave or part thereof not granted and taken shall accumulate to the credit of the individual officer or employee, and shall be granted and may be taken during the next succeeding calendar year only."

(cont'd)

IT IS FURTHER ORDERED in keeping with the rules and regulations above referred to that "every permanent full-time officer or employee in the State classified service shall be granted, in addition to annual vacation leave with pay, one working day's sick leave with pay for each month of service from the date of regular appointment up to and including December 31st next following such date of appointment and fifteen days' sick leave with pay for each calendar year thereafter. If any such officer or employee requires none or a portion only of such allowable sick leave for any celandar year, the amount of such leave not taken shall accumulate to his or her credit from year to year and he or she shall be entitled to such accumulated sick leave with pay if and when needed. Sick leave for purposes herein is defined to mean absence from duty of an officer or employee because of personal illness by reason of which such officer or employee is unable to perform the usual duties of his or her office or position, exposure to contagious disease, attendance upon a member of his immediate family critically ill and requiring the care or attendance of such officer or employee, or death in the immediate family of the officer or employee. Sick leave for a period greater than three days or totaling more than ten days in one calendar year shall be granted only on the certificate of the departmental physicial or a reputable physician, in which it is certified that the leave requested is within the provisions of the law and these rules, except that sick leave claimed by reason of quarantine or exposure to contagious disease may be approved on the certificate of the local department of health, and in case of death in the family upon such reasonable proof as the department head shall require. The total years of service of any individual, officer or employee shall be considered in computing accumulated sick leave due and available."

IT IS FURTHER ORDERED in keeping with the rules and regulations above referred to that vacation and sick leaves for permanent employees who are employed on a seasonal basis or whose services are not continuous throughout the entire year, shall be calculated on the basis of the time worked during the year in its relation to full-time service, that is to say, one day of vacation and one day of sick leave shall be granted to such seasonal employee with permanent status, for each month of service during the year.

Respectfully submitted,

A. Lee Grover,

Secretary.

Right of Way - Route 4

(Item 42) The Commissioner directed that an official offer in the sum of $19,687.00 be made to the Memorial Park Holding Corporation, for Parcels R-17, 18, R-19, 20, R-21, 22, 23, 24, R-25, 26A, 26B, 26C, R-27, R-28, 29, R-30, 31A, R-31B, R-32, R-33, 34 and 35, on Route 4, Union to the Rahway River, and in the event of failure to accept same that condemnation proceedings be instituted for the acquisition of these parcels.

Right of Way-Route S41

(Item 43) The Commissioner rescinded the action as heretofore taken in authorizing an official offer of $1651.00 to Harry L. Pearson for Parcel 75 on Route S41, Sections 3B and 4A, Kresson to Route 43, inasmuch as it now appears that only fifty feet of this parcel are owned by Harry L. Pearson & Wife, and that the remainder is owned by Harry L. Pearson. The Commissioner further directed that official offers as listed below be made for these parcels, and in event of failure of the owners to accept same that condemnation be proceeded with;

Parcel 75A	Harry L. Pearson	Offer	$1,790.00
" 75B	Harry L. Pearson & Wife,	"	50.00

Right of Way-Route S-3

(Item 44) The Commissioner approved and determined to execute an application for formal presentation to the Board of Commerce & Navigation for riparian grant required for Parcel E-T17A at Berry's Creek on Route S-3, Section 1, from Route 3 to Route 2.

Right of Way-Route 47

(Item 45) The Commissioner approved and determined to execute an application for formal presentation to the Board of Commerce & Navigation for riparian grant required for Parcels ET-1C, ST-1A and ST-1B, at Big Timber Creek Bridge on Route 47, Section 11.

Route 28, Section 26, and
Route 28-29 Connection, Sec.1

(Item A1) The Commissioner accepted the completed work on the contract of the Villa Contracting Company for construction of Route 28, Section 26, and Route 28-29 Connection, Section 1, from North Branch to Somerville, and authorized the making of final payment thereon when the necessary formalities have been observed, the said contract having been terminated by the State Highway Commissioner on July 15, 1941.

Route 35-4N, Section 1A

(Item A2) The Commissioner accepted the completed work on the contract of the Franklin Contracting Company for the paving of Route 35-4N, Section 1A, Connection to West Long Branch, and authorized the making of final payment thereon when the necessary formalities have been observed.

Right of Way-Route 33-35 Connection

(Item A-3) The Commissioner authorized acceptance of deed from Isaac Schlossbach, for Parcels 8 and 8X on Route 33-35 Connection, Section 1, and payment of the sum of $2,700.00 therefor, representing an increase of $700.00 over the agreement originally made, this increase being necessary in view of the fact that there was an apparent misunderstanding on the part of the owner concerning the area of the parcels to be conveyed as part consideration under the agreement.

MINUTES OF MEETING - DECEMBER 16, 1941

A regular meeting was held by State Highway Commissioner E. Donald Sterner on December 16, 1941. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 28, Section 25

(Item 1) The Commissioner accepted the completed work on the contract of C. T. Burket for the grading of Route 28, Section 25, White House to North Branch, and authorized the making of semi-final payment thereon less 125% of the contract value of the uncompleted items, when the necessary formalities have been observed.

Route 28, Sections 24A & 25A

(Item 2) The Commissioner directed that the matter of award of contract for construction of Route 28, Sections 24A & 25A, from South Branch of Rockaway Creek to Readington Road, be withheld pending a discussion of the situation with State Finance Commissioner Walsh.

Taking Over - Route 18

(Item 3) The Commissioner adopted the following Order and Determination, taking over for construction and maintenance after construction that portion of legislated State Highway Route 18 from Old Bridge to Freneau Road:

WHEREAS, under the provisions of Title 27 of the Revised Statutes of New Jersey, the State Highway Commissioner may take over any route, routes or parts thereof of those highways designated in the Act and supplements thereto,

NOW, THEREFORE, I, E. Donald Sterner, State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby determine to take over as a part of the State Highway System, for construction and maintenance after construction, the following described portion of Legislated Route 18:

Beginning at the traffic circle at the junction of State Highway Route S-28, Marlboro Road and the road to Englishtown; thence (1) along Marlboro Road in a southeasterly direction a distance of about 5600 feet to a point approximately 200 feet east of Pine Street; thence (2) over new right-of-way still in a southeasterly direction a distance of about 18,500 feet to Freneau Road, as shown in red on the attached map and as will be further shown in detail on maps to be filed with the County Clerk of Middlesex County and County Clerk of Monmouth County entitled: "New Jersey State Highway Department, General Property Key Map, Route 18, Section 1, Old Bridge to Freneau Road, Showing Existing Right-of-Way and Parcels to be Acquired in the Township of Madison, Middlesex County and in the Township of Marlboro, Monmouth County, Scales as shown, July 1941".

AND BE IT FURTHER ORDERED that notice be given that the right be and the same is hereby reserved, in accordance with the provisions of the said Title 27 of the Revised Statutes, to abandon or vacate at some future date all or any portion of the road described above to a length not exceeding five miles, the discontinuance of which may be deemed necessary for the improvement of the existing line and grade, and when abandoned any portions thereof which were formerly under local jurisdiction will revert to the governing body that previously had jurisdiction over the same.

AND BE IT FURTHER ORDERED THAT the County of Middlesex, the County of Monmouth and the Townships of Madison and Marlboro be given notice that they are required to file with the State

Taking Over - Route 18 (Cont'd.)

MINUTES OF MEETING - DECEMBER 23, 1941

A regular meeting was held by State Highway Commissioner E. Donald Sterner on December 23, 1941. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 6, Sections 8A & 8B

(Item 1) The Commissioner authorized payment of the sum of $75.05 to the Passaic Valley Water Commission, on account of certain miscellaneous work performed in connection with the construction of Route 6, Sections 8A and 8B, Valley Road to Lexington Avenue, which work was not included in the authorization as given for the performance of certain work under date of December 10, 1940.

Route 6, Section 11

(Item 2) The Commissioner approved and determined to execute modified Project Agreement for Route 6, Section 11, Grading, from Troy Brook to Passaic River, Project 88D; this agreement increasing the Federal Aid funds from $69,090.00 to $73,201.16 which is 50% of the total estimated approved Federal participating cost.

Route 48, Section 22

(Item 3) The Commissioner approved and determined to execute agreement with the Township of Buena Vista, for installation of certain storm water facilities in connection with State Highway Route 48, Section 22, as a W.P.A. project.

Repairs-Essex County

(Item 4) The Commissioner approved of balances on roads costing less than the estimated amount on Schedule "D", Maintenance & Extraordinary Repair of Roads, in the 1941 Work Program of Essex County, being applied to roads in that schedule, the cost of which exceeded the estimated amount.

Repairs-Morris County

(Item 5) The Commissioner approved of balances on roads costing less than the estimated amount on Schedule "D", Maintenance & Extraordinary Repair of Roads, in the 1941 Work Program of Morris County, being applied to roads in that schedule, the cost of which exceeded the estimated amount.

Motor Vehicle Aid-Passaic County

(Item 6) The Commissioner approved award of contract for construction of Jackson Avenue Bridge, Passaic County, Motor Vehicle Aid, to the low bidder, Kuchar Bros., on their lump sum bid of $19,439.69.

Motor Vehicle Aid-Warren County

(Item 7) The Commissioner approved the request of Warren County to increase the contract for Broad Street Extension, Motor Vehicle Aid, by approximately 42%, due to the desirability of making an intersection with State Highway Route No. 30; this approval carrying with it approval of Change of Plan No. 1 which provides for the requested change.

Township & Boro Aid - Burlington Co.

(Item 8) The Commissioner approved award of contract for construction of Hedgerhouse Road, Section 2, Tabernacle Township, Burlington County, Township & Boro Aid, to the low bidder, South Jersey Construction Co., on their lump sum bid of $3,063.00 for 6" gravel surface.

Township & Boro Aid-Essex County

(Item 9) The Commissioner approved award of contract for construction of Woodrow Place and Park Avenue, West Caldwell Borough, Essex County, Township & Boro Aid, to the low bidder, Francisco Construction Co. on their lump sum bid of $15,503.24 for Type A surface using asphalt in penetration.

Township & Boro Aid-Gloucester County

(Item 10) The Commissioner approved of extending the paving on Edsam Avenue, approximately .057 miles toward West Avenue, at an estimated additional cost of $945.30 on the contract for construction of Edsam, Oakcrest, Alcyon Boulevard, Esplanade and Highland Terrace, Pitman Borough, Gloucester County, Township & Boro Aid; this approval carrying with it approval of Change of Plan No. 1 which provides for this extension. The Commissioner also approved acceptance and authorized final payment for the construction work and engineering on the above mentioned streets.

Township & Boro Aid-Hudson County

(Item 11) The Commissioner approved Changes of Plan Nos. 1 and 2 on Hackensack Avenue and Third Street, Town of Kearny, Hudson County, Township & Boro Aid; the two changes of plan combined increasing the contract approximately 23%.

Township & Boro Aid-Mercer County

(Item 12) The Commissioner approved the request of Ewing Township, Mercer County, to do the grading, drainage and foundation work on Seventh Street by force account, the township to agree to complete 1,550 feet for the amount of $5,555.55. The force account price agreement was also approved.

Township & Boro Aid-Ocean County

(Item 13) The Commissioner approved the request of Plumsted Township, Ocean County, to transfer $3,500.00 of 1941 township and boro aid funds from Archertown Road, Section 2, to the construction of Nash Road, Terrace Avenue and Ice Plant Road.

Township & Boro Aid-Somerset County

(Item 14) The Commissioner approved the request of Somerset County to add to its already approved price agreement for 1941 township and boro aid maintenance work a price of $1.1668 per gallon for joint filler.

MINUTES OF MEETING - JANUARY 20, 1942

A regular meeting was held by State Highway Commissioner E. Donald Sterner on January 20, 1942. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 25, Section 7B

(Item 1) The Commissioner accepted the completed work on the contract of Thomas Gallo for construction of Route 25, Section 7B, East Grand Avenue, Rahway, to the Woodbridge Cloverleaf, pavement widening, and authorized the making of semi-final payment thereon, when the necessary formalities have been observed, less 125% of the contract value of the uncompleted work in an approximate amount of $4,925.00; subject to a deduction of $22.00 as a penalty on account of a deficiency in the amount of material required in the construction of a certain area of the FABC pavement.

Route 44, Section 9

(Item 2) The Commissioner granted an extension of time to December 31, 1941 for completion of the contract of Santaniello Bros. for construction of Route 44, Section 9, Westville to Pierce's Corner, with the understanding that free time will be allowed from that date to May 1, 1942 for shaping the top soil area, seeding and cleaning up in the spring.

Route 35, Section 38
Cheesequake Creek Bridge

(Item 3) The Commissioner approved of the New Jersey Bell Telephone Company being reimbursed in the sum of $1,000.00 for the cost of temporarily rearranging their telephone cables and placing them in a permanent position on the northwesterly side of Cheesequake Creek Bridge on Route 35, Section 38, in order to accommodate the new bridge being constructed in that location.

Specifications-Freight Rates

(Item 4) The Commissioner approved of inserting the following clause, as recommended by the U. S. Public Roads Administration, in those contracts which are to be performed under Federal Aid procedure:

> "Common Carrier Rates. It is understood and agreed that the accepted proposal for this project is based on common carrier rates current on the date of the submission of the proposal. In the event such rates are increased thereafter on materials entering into and forming a part of this project, such increase, when properly shown by receipted common carrier bills, shall be paid by the highway department to the contractor; Provided, that should there be a reduction in the common carrier rates on said materials, the amount of such reduction shall be deducted by the highway department from any money due the contractor on said project."

Permits - Utility Poles

(Item 5) The Commissioner approved and authorized execution of the following consent: "In order to accommodate public purposes in the Town of Maplewood, the State Highway Commissioner hereby consents to the relocation of a pole owned by Public Service Coordinated Transport on the south side of Springfield Avenue, west of Tuscan Street, as indicated on map or plan numbered 3105-A and entitled 'Public Service Coordinated Transport, Distribution Department, Proposed Relocation of Pole in Springfield Avenue near Tuscan St., Maplewood, N. MINUTES OF MEETING - FEBRUARY 10, 1942

A regular meeting was held by State Highway Commissioner E. Donald Sterner on February 10, 1942. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 4, Section 42A

(Item 1) The Commissioner accepted the completed work on the contract of the Jannarone Contracting Company for construction of Route 4, Section 42A, Cheesequake to Browntown (Paving), and authorized the making of semi-final payment thereon less 125% of the value of the uncompleted work consisting primarily of topsoiling and seeding in the amount of approximately $24,500.00 until that work can be performed in the spring.

Route 6, Section 21A

(Item 2) The Commissioner accepted the completed work on the contract of the Union Building & Construction Company for the construction of Route 6, Section 21A, Denville Relocation, and authorized the making of semi-final payment thereon less 125% of the value of the uncompleted work in the amount of approximately $4,500.00.

Route 18, Section 1

(Item 3) The Commissioner approved of the Weldon Contracting Company subletting the bridge work included in its contract for construction of Route 18, Section 1, Old Bridge to Route 4, to the Frapaul Construction Company, in accordance with the usual regulations.

Route 35, Section 38
Cheesequake Creek Bridge

(Item 4) The Commissioner approved of the Fehlhaber Pile Co., subletting the plumbing and heating work involved in their contract for construction of bridge over Cheesequake Creek on Route 35, Section 38, to Charles Simkin, in accordance with the usual regulations.

Big Timber Creek
Routes 45 and 47

(Item 5) The Commissioner approved of the Eisenberg Construction Co., subletting the drainage work involved in their contract for construction of approach span to Big Timber Creek Bridge on Route 45 and drainage on Route 47 to the C & T Construction Company, in accordance with the usual regulations.

Offices

(Item 6) The Commissioner approved of paying an increased rental rate of $65.00 per month, effective February 25, 1942, for the field office rented from Joseph H. Helfrich, at 15 N. Main Street, Pleasantville, this increase of $15.00 per month being made because of a large increase in the property tax on this building and the increased cost of heating, and the payment of same being approved in view of the fact that other quarters cannot be found for even this increased amount.

MINUTES OF MEETING - APRIL 1, 1942

A regular meeting was held by State Highway Commissioner E. Donald Sterner on April 1, 1942. The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 25, Section 34

(Item 1) The Commissioner approved of the contract time for completion of contract of the International Excavating Company for placing embankment on Route 25, Section 34, between Port Street and Foundry Street, Newark, which contract has been delayed because of non-procurement of property owned by the City of Newark, being extended to the date the contractors are permitted to enter on this property, and an additional sixty working days allowed for completion of the project after that date.

Bridges, Route 28, Sections 25 & 26

(Item 2) The Commissioner approved of the Ell-Dorer Contracting Company subletting the electrical work in connection with their contract for construction of bridges over North Branch of Raritan River and Station Road on Route 28, Sections 25 and 26, to the Hockenbury Electric Company, in accordance with the usual regulations.

(Item 3) The Commissioner approved of the Ell-Dorer Contracting Company's subletting the tile work in connection with their contract for construction of bridges over North Branch of Raritan River and Station Road on Route 28, Sections 25 and 26, to the Henry R. Isenberg Tile & Marble Company, in accordance with the usual regulations.

Route 56, Section 1

(Item 4) The Commissioner approved of Ole Hansen's subletting the cement mortar protection on his contract for construction of Beach Thorofare Bridge, on Route 56, Section 1, to the Pressure Concrete Company, in accordance with the usual regulations.

Route 35, Section 10

(Item 5) The Commissioner approved the General Property Key Map for Route 35, Section 10, South Amboy Relocation, from Morgan to Route 4 at Main Street, for filing in the Middlesex County records.

Route S3, Section 3

(Item 6) The Commissioner approved the General Property Key Map for Route S3, Section 3, from Route 6 at Valley Road to Passaic Avenue, for filing in the Passaic County records.

MINUTES OF MEETING - MAY 12, 1942

The first stated meeting was held by State Highway Commissioner Spencer Miller, Jr., on Tuesday, May 12, 1942, at twelve o'clock Noon; with the following staff members present: James Logan, Benjamin C. VanTine, Frank A. Reddan, and A. Lee Grover.

The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Access Road - U. S. Naval Supply Depot, Bayonne

(Item 1) The Commissioner authorized the placing of readvertisements for bids for the construction of Access Road to the U. S. Naval Supply Depot in Bayonne; the said readvertisement to be placed for one week only in accordance with the approval as given by the State House Commission for such procedure.

(Item 2) The Commissioner approved and determined to execute agreement with Trustees of the Central Railroad of New Jersey covering understandings in connection with the construction of a bridge to carry the Access Road to the U. S. Naval Dry Dock and Supply Depot in Bayonne over the Central Railroad of New Jersey.

(Item 3) The Commissioner approved and determined to execute agreement with the Lehigh Valley Railroad Company covering understandings in connection with the construction of a bridge to carry the Access Road to the U. S. Naval Dry Dock and Supply Depot in Bayonne over the Lehigh Valley Railroad.

Roadside Improvement
Route 4, Section 41A

(Item 4) The Commissioner accepted the completed work on the contract of Grand View Nurseries for the roadside improvement on Route 4, Section 41A, from Gordon's Corner to Browntown, and authorized the making of final payment thereon when the necessary formalities have been observed.

Route 6, Sections 8A and 8B

(Item 5) The Commissioner accepted the completed work on the contract of LaFera-Grecco Contracting Company for the construction of Route 6, Sections 8A and 8B, Valley Road to Lexington Avenue, and authorized the making of final payment thereon when the necessary formalities have been observed; semi-final acceptance of this project having been made on February 2, 1942.

Route S-3, Section 1B

(Item 6) The Commissioner accepted the completed work on the contract of S. J. Groves & Sons Company for construction of embankment approaches to the viaduct over the Erie Railroad and Berry's Creek on Route S-3, Section 1-B, and authorized the making of final payment thereon when the necessary formalities have been observed.

Route 28, Section 23

(Item 7) The Commissioner directed that Samuel Colacurcio, Inc., be declared in default on their contract for the grading of Route 28, Section 23, Annandale Relocation, and that the contract be declared abandoned in accordance with the provisions of the contract and specifications for the project; a report having been made by the Engineering Division of the State Highway Department that the work under the said contract is unnecessarily delayed and cannot be completed by the contractor within the time specified, and that the contractor has wilfully violated the covenants of the contract. The Commissioner further directed that the Aetna Casualty & Surety Company, surety on this contract, be called upon to proceed with the completion of the work under this contract.

Routes 4 & 35, Sec. 11B

(Item 8) The Commissioner approved the request of Hogan-Gaul Construction Company to sublet items 16, 17, 18 and 20, on their contract for construction of Routes 4 & 35, Section 11B, Oak Street Grade Separation, Sayreville, to the Marsellis-Warner Corporation, in accordance with the usual regulations.

Route 35, Section 37

(Item 9) The Commissioner approved the General Property Key Map for Route 35, Section 37, Asbury Avenue Traffic Circle, as revised and corrected, for filing in Monmouth County.

Route 4, Section 42A

(Item 10) The Commissioner approved and determined to execute modified Project Agreement for New Jersey Project SN-FAP-181C (1), State Highway Route 4, Section 42A, from Browntown to Cheesequake, the modification of the agreement increasing the Federal Aid funds from $251,000. to $318,600.; the work performed previous to May 27, 1941 to be claimed on a 50% Federal pro rata basis, and the work performed after May 27, 1941 to be claimed on a 75% pro rata basis.

Motor Vehicle Aid-Burlington County

(Item 11) The Commissioner approved acceptance and authorized final payment for the construction work completed by force account on County-Wide W.P.A. Project C-196, Burlington County, Motor Vehicle Aid. Approval was also given to inserting the following items in the previously approved price agreement: Creosoted Lumber, Pipe, Pea Gravel, Calcium Chloride, at prevailing prices.

Repairs - Cape May County

(Item 12) The Commissioner approved specifications for repair materials to be used in the maintenance of Cape May County roads during 1942, as follows; subject to any Government regulations relative to the freezing of bituminous materials:

39,780 gals. Tar RT-7 or 8, or Asphalt RC-2 or NRC-3, furnished, delivered and applied.

Personnel - Approval Officer

(May 21, 1942) In accordance with the provisions of Chapter 254, P. L. 1920, I hereby designate A. Lee Grover, Chief Clerk, as the Approval Officer for the State Highway Department; this action being a redesignation inasmuch as Mr. Grover has been the designated Approval Officer for the State Highway Department since the passage of the act above referred to.

The Commissioner advised that the next stated meeting will be held on Tuesday, June 9, 1942.

Respectfully submitted,

A. Lee Grover,

Secretary.

MINUTES OF MEETING - JUNE 9, 1942

The third stated meeting was held by State Highway Commissioner Spencer Miller, Jr., on Tuesday, June 9, 1942, at twelve o'clock Noon; with the following staff members present: James Logan, Benjamin C. VanTine, Frank A. Reddan and A. Lee Grover.

The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Access Road to Air Associates

(Item 1) The Commissioner approved plans and specifications for construction of Access Road to Air Associates on Industrial Avenue, Bendix, Federal Project NJ DA-WI-3, and ratified the placing of advertisements for bids to be received on June 15th; the legal requirements relative to advertising being waived by action of the State House Commission in all projects of Access Road construction.

Picatinny Arsenal Access Road,
Sections 3 and 4A

(Item 2) The Commissioner approved plans and specifications for construction of Picatinny Arsenal Access Road, Sections 3 and 4A, from Phipps Road to Mt. Hope Mineral Railroad, Federal Project NJ DA-WR-2, and ratified the placing of advertisements for bids to be received on June 15th; the legal requirements relative to advertising being waived by action of the State House Commission in all projects of Access Road construction.

Route 25, Section 7B

(Item 3) The Commissioner accepted the completed work on the contract of Thomas Gallo for the pavement widening on Route 25, Section 7B, from E. Grand Avenue, Rahway, to the Woodbridge Cloverleaf, and authorized the making of final payment thereon when the necessary formalities have been observed.

Lambertville-Baptistown Road, Sec.5

(Item 4) The Commissioner accepted the completed work on the contract of J. P. Burns for construction of Lambertville-Baptistown Road, Section 5, from Kingwood to Rosemont, and authorized the making of final payment thereon when the necessary formalities have been observed. It was further directed that a penalty in the sum of $224.00 be applied against this contract on account of a deficiency in the weight of material used, which deficiency is comparable to 560 square yards of pavement at the contract unit price of Forty Cents per square yard.

Utilities - Grade Separation
Routes 42 and 54, Folsom

(Item 5) The Commissioner approved of the New Jersey Bell Telephone Company being reimbursed in the total amount of $1,190.89 on account of the partial cost of rearranging its facilities on Route 54, and lowering the ducts leading into its Repeater Station, made necessary in order to accommodate construction of grade separation at the intersection of Routes 42 and 54 in Folsom Borough; the said reimbursement representing the difference in cost between overhead and conduit construction at points where overhead construction is considered objectionable, and the total cost of lowering the conduit leading into its property.

Taking Over-Route 6A

(Item 6) The Commissioner made the following Determination and Order, taking over as a part of the State Highway System for construction and maintenance after construction, that portion of legislated Route 6A, known as Picatinny Arsenal Road, Sections 3 and 4A, from Phipps Road to the Mt. Hope Mineral Railroad at Spicertown:

Taking Over-Route 6A (Continued)

WHEREAS, under the provisions of Title 27 of the Revised Statutes of New Jersey, the State Highway Commissioner may take over any route, routes or parts thereof of those highways designated in the Act and Supplements thereto;

NOW, THEREFORE, I, Spencer Miller Jr., State Highway Commissioner, acting for and in behalf of the State of New Jersey, do hereby determine to take over as a part of the State Highway System, for construction and maintenance after construction, that portion of Legislated Route 6-A (Picatinny Arsenal Access Road) as shown in red on the attached map, and as will be further shown in detail on maps to be filed with the County Clerk of Morris County entitled: "New Jersey State Highway Department, General Property Key Map, Picatinny Arsenal Access Road, Section 3 at Spicertown, Showing Existing Right-of-Way and Parcels to be Acquired in the Township of Rockaway and Boro of Wharton, County of Morris, Scales as Shown, December 1941," and also that portion of map entitled "New Jersey State Highway Department, General Property Key Map, Picatinny Arsenal Access Road, Section 4, Berkshire Valley Road to Spicertown, Showing Existing Right-of-Way and Parcels to be Acquired in the Townships of Jefferson and Rockaway, County of Morris, Scales as Shown, April 1942" extending southeasterly from Station 41+0 to the southeast line of the Wharton and Northern Railroad.

AND BE IT FURTHER Ordered that notice be given that the right be and the same is hereby reserved, in accordance with the provisions of the said Title 27 of the Revised Statutes, to abandon or vacate at some future date all or any portions of the road described above to a length not exceeding five miles, the discontinuance of which may be deemed necessary for the improvement of the existing line and grade, and when abandoned any portions thereof which were formerly under local jurisdiction will revert to the governing body that previously had jurisdiction over the same.

AND BE IT FURTHER ORDERED that the County of Morris, the Townships of Rockaway and Jefferson and the Boro of Wharton be given notice that they are required to file with the State Highway Department within thirty (30) days of the date hereof, any agreements or copies of franchises they may have with any public utilities or other company, firm, individual or corporation affecting the construction, maintenance or use of the above described road.

AND BE IT FURTHER ORDERED that a copy of this Order and Determination be certified by the Secretary of the State Highway Department and by him forwarded to the County of Morris, the Townships of Rockaway and Jefferson and the Boro of Wharton.

It is the intention and purpose of this Order and Determination to take over for construction and maintenance after construction the above described road, together with such portions of existing roads as may be necessary to accomplish the construction of Picatinny Arsenal Access Road, Sections 3 and 4A, and also such intersections with and connections to existing roads and streets as may be developed by the construction of the project.

Route 25, Newark Airport

(Item 7) The Commissioner approved and determined to execute Request for Program Approval for submission to the Public Roads Administration - Route 25, Intersection at Port Street and Newark Airport, New Jersey Project SN-AW-FAP 185A (1). Township & Boro Aid-Burlington County

(Item 16) The Commissioner approved a revised list to be attached to the already approved 1942 township and boro aid maintenance schedule for Burlington County, covering the following roads on which calcium chloride is to be used instead of bituminous concrete, Mansfield Township, Mansfield-Georgetown (S.H.Rt.39) to Wrightstown-Rising Sun Road; Mt. Laurel Township, Elbo Lane (Moorestown-Evesboro Road to Union Mills Road); New Hanover Township, Hockamick Road (Cookstown to Poke Hill Corner); North Hanover Township, Paulson Road, Sections #1 and #2; Washington Township, River Road-Lower Bank Bridge to Marsh Run; Fieldsboro Boro, Delaware Ave. (from Bordentown Twp. Line to 4th Street & 2nd Street to P.R.R.).

Township & Boro Aid-Cape May County

(Item 17) The Commissioner approved acceptance and authorized final payment for the construction work completed by contract and engineering on New Jersey, Philadelphia, Reading, and Trenton Avenues, Cape May City, Cape May County, Township & Boro Aid.

Township & Boro Aid-Cumberland County

(Item 18) The Commissioner approved acceptance and authorized final payment for the construction work completed by force account on Kenyon Avenue, Section #2, Deerfield Township, Cumberland County, Township & Boro Aid.

Township & Boro Aid-Gloucester County

(Item 19) The Commissioner approved the request of Westville Borough, Gloucester County, to have $2,250.00 of the 1942 township and boro aid funds allotted on High and Various Streets, apply to the construction of High Street from Duncan to Harvard Avenue. Approval was also given the request to do the work on High Street by force account, the borough to agree to complete .60 mile including calcium chloride treatment for the amount of $2,500.00. The Commissioner also approved the price agreement for this work, the 40% labor clause not to apply on this project due to present conditions.

Township & Boro Aid-Mercer County

(Item 20) The Commissioner approved Change of Plan No. 1 on Westcott Road and Library Place, Princeton Borough, Mercer County, Township & Boro Aid, which changes the surface from Type A to Type T and Asphaltic Cements to Tars, the freezing of all bituminous materials by the Petroleum Coordinator making it impossible to get asphaltic cements.

Township & Boro Aid-Monmouth County

(Item 21) The Commissioner approved the request of Howell Township, Monmouth County, to do the work on Old Tavern Road by force account instead of contract, the township to agree to complete Calcium Chloride Treatment of three miles for the amount of $1,750. The force account price agreement was also approved.

(Item 22) The Commissioner approved the request of Matawan Township, Monmouth County, to do the work on Matawan Road by force account instead of contract, the township to agree to complete .75 mile of gravel surface including calcium chloride for the amount of $1,111.11. The force account price agreement was also approved.

(Item 23) The Commissioner approved the request of Atlantic Township, Monmouth County, to transfer $1,644.12 of 1941 township and boro aid funds from Montrose Road (B.S.T.) and $2,600.00 of 1942 funds from Jerseyville Road and Montrose Road (B.S.T.), or a total of $4,244.12, to the construction of Hominy Hill Road, Section 1.

ADDITIONAL ITEMS

Force Account Work

(Item 1-A) In connection with the consideration of certain items on the schedule of business for this meeting, in which force account work and procedure is involved, Commissioner Miller stated that the whole subject of force account work will be reviewed by him at an early date, and an announcement of policy will then be made by him.

Regulations-Right of Way

(Item 2-B) Commissioner Miller announced that he had issued the following order in reference to the procedural steps to be followed in the appraisal and acquiring of property for the State Highway Department:

ORDER

The Procedural steps in the appraisal and acquiring property for the State Highway Department shall be as follows:

1. The Senior Right-of-Way Agent shall direct one of the Right-of-Way Agents to make a thorough study of the values and consequential damages of the property along the alignment as approved by the key map, and prepare a complete written appraisal of each parcel along said alignment.

2. All appraisals, whether original, supplementary or check appraisals shall be executed by the Right-of-Way Agents in the presence of a notary public and shall be part of the public records of the Department. In no case shall any appraisal, once made, be altered or revised or signed by anyone other than the person making the appraisal. Where a supplementary appraisal is found necessary, it shall be made on a separate form and properly notarized and filed with the original appraisal. The original copy of the appraisal shall be filed with the Chief Clerk of the State Highway Department and kept by him in a special file, and a copy kept in the Right-of-Way Division files.

3. Where the appraisal value of the property does not exceed a thousand dollars per parcel, the Senior Right-of-Way Agent or his designated representative shall review the appraisal of the property and on the authority of the Commissioner, the Senior Right-of-Way Agent shall direct and supervise the negotiation. (cont'd)

4. Where properties involve appraisals of more than a thousand dollars per parcel, a check appraisal shall be made independently by a Right-of-Way Agent designated by the Senior Right-of-Way Agent. Such properties shall also be inspected by the Senior Right-of-Way Agent before negotiations have begun. In special cases, when directed by the State Highway Commissioner, additional written appraisals may be secured from qualified outside appraisers. Such requisitions for appraisals will be issued in writing by the Commissioner.

5. Where it is impossible to reach a settlement by mutual agreement of the State Highway Department and the property owner in question and it is necessary to go to condemnation, one or more outside qualified appraisers may be selected, by the order of the Commissioner, to serve as expert witnesses in condemnation proceedings.

6. Settlement in every case shall be made on the basis of the merit of the case, taking into consideration the full claims of the property owner, and the interest of the State. All settlements shall be subject to final approval by the Commissioner.

7. This Order shall go into effect immediately and shall continue in effect until further notice.

Respectfully submitted,

A. Lee Grover,

Secretary.

MINUTES OF MEETING - JUNE 30, 1942

The fifth stated meeting was held by State Highway Commissioner Spencer Miller, Jr. on Tuesday, June 30, 1942, at twelve o'clock Noon, with the following staff members present: James Logan, William A. O'Brien, Frank A. Reddan, and A. Lee Grover.

The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

P. R. R. Bridge, Route 39

(Item 1) The Commissioner approved and determined to execute Project Agreement for Pennsylvania Railroad Bridge at Mile Hollow on Route 39, Federal Aid Grade Crossing Project FAGS 49A (1); the amount of 1941 grade crossing funds obligated being $90,084.00.

Repairs - Morris County

(Item 2) The Commissioner approved the resolution adopted by the Morris County Board of Freeholders, awarding a contract to Dosch-King Company for the furnishing of 71,250 gallons of Tar, Grade RT-11 or 12, at $.1215 per gallon; this being a substitution for the award heretofore made to this company for a similar quantity of O.A.-4, which they have been unable to furnish due to governmental restrictions and transportation difficulties. It is understood that approval of this award is subject to State and Governmental regulations regarding bituminous materials.

Repairs - Ocean County

(Item 3) The Commissioner approved the specifications of Ocean County for the furnishing and delivery of Calcium Chloride, Grade "B", to the County Road Department Building, Toms River, for use in the repair of county roads during 1942.

Repairs-Salem County

(Item 4) The Commissioner approved the request of Salem County to transfer $12,000.00 from Penns Neck Bridge in Schedule "C", Bridge Construction or Reconstruction, to Schedule "E", Maintenance and extraordinary Repairs to Bridges and Culverts, on their 1942 Work Program; the same to apply to bridges of forty feet and over.

Motor Vehicle Aid - Somerset County

(Item 5) The Commissioner approved the request of Somerset County to grant an extension of time for the completion of Dead River Bridge, from the fifty working days specified, to July 15, 1942.

Repairs-Sussex County

(Item 6) The Commissioner approved the specifications of Sussex County for the following materials to be used in the maintenance and repair of Sussex County roads during 1942:

10,000 gals. Tar RT-2 or 3, or Asphalt NC-o or NC-1, furnished, & delivered job in SussexCounty

62,500 gals. Tar RT-5 or Asphalt RC-2 or RC-3, furnished and delivered job in Sussex County.

4,000 tons 3/4" Stone and/or Dustless Screenings, furnished and delivered, F.O.B. Newton.

Township & Boro Aid-Burlington County

(Item 7) The Commissioner approved award of contract for construction of Birmingham-North Pemberton Road, Section 3, Pemberton Township, Burlington County, to the low bidder, A. E. Barrett on his lump sum bid of $5,641.14 for 6" gravel surface, calcium chloride treated.

Township & Boro Aid-Burlington County

(Item 8) The Commissioner approved cancellation of $1,000.00 of 1942 township and borough aid funds from Washington Street, Borough of Fieldsboro, Burlington County, which funds have been released by the borough, and reallotment of same to Pemberton Township, as additional aid on Birmingham-North Pemberton Road, Section 3, to make up the difference between the contract price and funds available.

Township & Borough Aid-Camden County

(Item 9) The Commissioner approved cancellation of unexpended balances of $798.39 of 1939 and 1940 township and borough aid funds from East Atlantic Avenue, Section 1, in Magnolia Borough, and $1,533.90 of 1941 funds from Maple Avenue, Section 3, in Merchantville Borough, Camden County, or a total of $2,332.29; and reallotment of $1600.00 of this amount to Waterford Township, as additional aid on Tremont Avenue to make up the difference between the contract price and funds available, and provide funds for State participation in the cost of engineering. The Commissioner also approved award of contract for the construction of Tremont Avenue, to the low bidder, DelPatria Construction Co., on their lump sum bid of $4,634.42 for 6" gravel surface, calcium chloride treated.

Township & Boro Aid-Cumberland Co.

(Item 10) The Commissioner approved the request of Fairfield Township, Cumberland County, to do the work on Robinson Road by force account instead of contract, the township to agree to complete one mile of gravel surface including calcium chloride treatment, for the amount of $4,000.00. Approval was also given to the price agreement, the 40% labor requirement being eliminated due to present conditions.

(Item 11) The Commissioner approved the request of Maurice River Township, Cumberland County, to do the work on Taylor Road, Section 2, by force account instead of contract, the township to agree to complete 1.2 miles of gravel surface including calcium chloride treatment, for the amount of $4,000.00. The force account price agreement was also approved, the 40% labor requirement being eliminated due to present conditions.

(Item 12) The Commissioner approved the request of Greenwich Township, Cumberland County, to do the work on Reed Island Road by force account instead of contract, the township to agree to complete .5 miles of gravel surface including calcium chloride treatment, for the amount of $2,250.00. The force account price agreement was also approved, the 40% labor requirement being eliminated due to present conditions.

(Item 13) The Commissioner approved the request of Fairfield Township, Cumberland County, to do the work on Clark's Pond Road, Section 1, by force account instead of contract, the township to agree to complete 1.2 miles of gravel surface including calcium chloride treatment, for the amount of $5,280.00. The force account price agreement was also approved, the 40% labor requirement being eliminated due to present conditions.

(Item 14) The Commissioner approved the force account price agreement for construction of Berry Avenue, Commercial Township, Cumberland County; the township agreeing to complete .25 miles of gravel surface including calcium chloride treatment for the amount of $1,200.00; the 40% labor requirement being eliminated due to present conditions.

(Item 15) The Commissioner approved acceptance and authorized final payment for the maintenance work done by force account on Chestnut Avenue, Pennsylvania Avenue, Forest Grove Road and Elmer Road, in Landis Township; Cumberland County. Approval was also given to eliminating East Avenue from the schedule due to the lack of funds.

Township & Borough Aid-Gloucester County

(Item 16) The Commissioner approved the request of Gloucester County to change the type of treatment proposed on the following roads as listed in the 1942 township and borough aid maintenance schedule, from SCO and sand cover, to calcium chloride:

> Back Creek Road, Sections 1, 2, 3, in Woolwich Township; Back Creek Road, Section 1, in Harrison Township; Franklinville Road, in Monroe Township; and Oak Street, in Westville Borough.

Approval was also given to adding the following roads to the already approved 1942 township and borough aid maintenance schedule of Gloucester County:

> Beckett Road, in Logan Township, for a distance of 1.7 miles; Birch Street in Westville Borough for a distance of .14 miles; and Janvier Road in Monroe Township, for 2.1 miles.

The Commissioner also approved of adding to the already approved price agreement for this work in Gloucester County, a price of $30.00 per ton for calcium chloride.

Township & Borough Aid-Mercer County

(Item 17) The Commissioner approved plans and specifications for construction of Quaker Road Approaches to Stony Brook Bridge, Princeton Township, Mercer County; the type of surface to be water-bound macadam instead of Type A or T on modified bituminous penetration macadam as originally proposed.

Township & Borough Aid-Monmouth Co.

(Item 18) The Commissioner approved award of contract for construction of Windermere Avenue, Interlaken Borough, Monmouth County, to the low bidder, F. Z. Sindlinger, on his lump sum bid of $3,581.80 for gravel surface, calcium chloride treated.

Township & Borough Aid-Ocean County

(Item 19) The Commissioner approved the request of Harvey Cedars Borough, Ocean County, for an extension of time from June 18, 1942 to June 20, 1942 for completion of the work by contract on Middlesex Avenue.

Motor Vehicle Aid - Ocean County

(Item 20) The Commissioner approved the request of Ocean County to add the Trenton-Jacksons Mills-Lakewood-Lanes Mills-Cedar Bridge Road (County Road #9) in Brick Township, to Schedule "B", Construction and Reconstruction of Roads, in their 1942 Work Program. Approval was also given to transferring $1,036.80 from Road #65 in Berkeley Township, under Schedule "D", and $2,300.00 from Road #2 in Manchester Township, under Schedule "D", or a total of $3,336.80 to the said Trenton-Jacksons Mills-Lakewood-Lanes Mills-Cedar Bridge Road (County Road #9). The Commissioner further approved of doing the work on the said County Road #9 by force account, the County to agree to complete .754 miles for the sum of $3,336.80, and the 40% labor clause not to apply. The force account price agreement was also approved.

(Item 21) The Commissioner approved the request of Ocean County to change the bituminous surface treatment in connection with their township and borough aid maintenance work from S.C.O. to calcium chloride. Approval was also given to inserting in the already approved force account price agreement for this work a price of $27.00 per ton for Calcium Chloride applied.

(Item 22) The Commissioner approved the request of Plumsted Township, Ocean County, to calcium chloride treat the gravel surface being constructed by force account on Nash Road, Terrace Avenue and Ice Plant Road, and to add to the approved price agreement a price of $27.00 per ton for Calcium Chloride applied, no change being necessary in the agreed limit cost for completion of this project.

Township & Boro Aid-Ocean County

(Item 23) The Commissioner approved the request of Dover Township, Ocean County, to calcium chloride treat the gravel surface being constructed by force account on Swan Boulevard and to add to the approved price agreement a price of $27.00 per ton for Calcium Chloride applied, no change being necessary in the agreed limit cost for completion of this project.

(Item 24) The Commissioner approved of Dover Township, Ocean County, using $270.00 of the unexpended balance of 1941 township and borough aid funds remaining after completion of the gravel surface on Lillie and Bash Roads, to treat the surface with calcium chloride, the work to be done by force account. The force account price agreement was also approved.

(Item 25) The Commissioner approved acceptance and authorized final payment for the construction work completed by force account on 21st Street, Section #2, Surf City Borough, Ocean County, Township & Borough Aid.

(Item 26) The Commissioner approved the request of Ocean County to have the $1,734.54 now set up on the 1942 township and borough aid maintenance schedule in Ship Bottom-Beach Arlington Borough, apply to the resurfacing and raising of 18th Street and 19th Street, instead of 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 12th, 13th, 14th, 15th, 16th, 17th, 20th, 22nd, 27th, 29th, 30th, Central, Barnegat, Shore and 11th Streets. Approval was also given to elimination of the surface treatment work due to the scarcity of this material.

Township & Boro Aid-Sussex County

(Item 27) The Commissioner approved acceptance and authorized final payment for the construction work completed by contract and engineering on Trinity Street, Town of Newton, Sussex County. Approval was also given to changing the starting date from August 19, 1941 to September 8, 1941.

Right of Way - Route 18

(Item 28) The Commissioner directed that the matter of approval of purchase agreement with Forman D. Smith & Wife for the conveyance of Parcel 77 on Route 18, Section 1, at a consideration of $2,128.00 be held over, it being his desire to talk to Thomas Smith concerning his appraisal of this parcel.

Right of Way-Fort Dix Access Rd.

(Item 29) The Commissioner approved the following purchase agreements on Fort Dix Road, Section 1, From Georgetown to Pemberton-Wrightstown Road:

Parcel	Name	Consideration
3A & 3B	Ellis, Inc.	$ 10,000.00
7	Katherine T. Horton & husband,	600.00
9	S. Bryan Fort & Wife,	2,000.00

The Commissioner further direction that approval of the purchase agreement with Harry Nixon (widower) for conveyance of Parcels 8A and 8B, at a consideration of $700.00 be withheld, until he has an opportunity to discuss the general procedure in such cases with the Right of Way Division.

(Item 30) The Commissioner directed that the item relative to acquisition of Parcels 2A and 2B from Paul W. Wooding on Fort Dix Access Road, Section 1, from Georgetown to Pemberton-Wrightstown Road, be referred back to the Legal Division, for a further report and discussion concerning the general procedure in the matter of making official offers.

Right of Way-Route 33-35 Connection

(Item 31) The Commissioner approved payment of the award as made by condemnation commissioners in the sum of $200.00 with interest thereon from April 4, 1942, for property of Edward Lazerow et al, Parcel 33 on Route 33-35 Connection, Section 1, from Route 33 at Anderson's Corner to Asbury Avenue at Wayside Road.

(Item 32) The Commissioner approved payment of the award as made by condemnation commissioners in the sum of $165.00 with interest thereon from March 30, 1942, for property of Peter Platman, Parcels 32A & 32B on Route 33-35 Connection, Section 1, from Route 33 at Anderson's Corner to Asbury Avenue at Wayside Road.

(Item 33) The Commissioner approved payment of the award as made by condemnation commissioners in the sum of $200.00 with interest thereon from March 30, 1942, for property of Abraham Fruchtman, Parcel 31, on Route 33-35 Connection, Section 1, from Route 33 at Anderson's Corner to Asbury Avenue at Wayside Road.

(Item 34) The Commissioner approved payment of the award as made by condemnation commissioners in the sum of $150.00 with interest thereon from March 30, 1942, for property of David Debovey, Parcel 43, on Route 33-35 Connection, Section 1, from Route 33 at Anderson's Corner to Asbury Avenue at Wayside Road.

Right of Way - Route 35

(Item 35) The Commissioner approved payment of the award as made by condemnation commissioners in the sum of $260.00 with interest thereon from March 30, 1942, for property of the Trefoil Holding Company, Parcel 7, on Route 35, Section 37, Traffic Circle at Route 35 and Asbury Avenue.

Right of Way-Routes 34 and 38

(Item 36) The Commissioner rescinded the action as heretofore taken in approving an agreement with Brisbane Properties Corporation in the sum of $9869.24, for the conveyance of the following property:

Route 34, Section 4, Parcels W24A, 1W-24B, 2W-24B, 1W-24C and 2W-24C
Route 38, Section 4, Parcel R-1
Route 38, Section 5, Parcels R-1A, R-1B, R-1C & R-1D, in view of the fact that the engineering department has determined that one of the property lines governing Parcel R-1B on Route 38, Section 5, was incorrectly shown, and same has been changed to Parcel 2R-1B, increasing the area by .218 of an acre. The Commissioner further authorized acceptance of a deed as submitted covering:

Route 34, Section 4, Parcels W24A, 1W-24B, 2W-24B, 1W-24C and 2W-24C.
Route 38, Section 4, Parcel R-1
Route 38, Section 5, Parcels R-1A, 2R-1B, R-1C & R-1D, and payment of the sum of $9,885.60 which includes an additional allowance of $16.35 for the extra .218 of an acre.

Right of Way-Route S-49

(Item 37) The Commissioner approved and determined to execute Determination, Order and Deed for conveyance of Parcel X-11 on Route S49, Section 5, Grassy Sound Bridge Approaches, to the Beecher-Kay Realty Company, in accordance with action as taken by the State Highway Commissioner on March 4, 1942.

Respectfully submitted,

A. Lee Grover,

Secretary.

MINUTES OF MEETING - JULY 7, 1942

The sixth stated meeting was held by State Highway Commissioner Spencer Miller, Jr., on Tuesday, July 7, 1942, at twelve o'clock Noon; with the following staff members present: James Logan, William A. O'Brien, Frank Reddan and A. Lee Grover.

The regular Schedule of Business was taken up and the Commissioner stated that the items hereinafter listed in these minutes are approved as indicated, the same having been recommended by the various Division Heads and the State Highway Engineer.

Route 28, Section 24

(Item 1) The Commissioner accepted the completed work on the contract of C. T. Burket for grading Route 28, Section 24, Van Syckles Corner to White House, and authorized the making of final payment thereon when the necessary formalities have been observed.

Route 39, P. R. R. Bridge

(Item 2) The Commissioner approved of the Franklin Contracting Company subletting the furnishing and erection of the structural steel under their contract for widening of the bridge carrying the Pennsylvania Railroad over Route 39, east of Bordentown, to the Bethlehem Steel Company, in accordance with the usual regulations.

Picatinny Arsenal Access Road

(Item 3) The Commissioner approved of the Franklin Contracting Company subletting the items of foundation excavation and timber piling involved in the bridge over Green Pond Brook in connection with their contract for construction of Picatinny Arsenal Access Road, to H. L. Harrison & Son, Inc., in accordance with the usual regulations.

Access Road to Camp Kilmer

(Item 4) The Commissioner approved and determined to execute Project Statement for submission to the Public Roads Administration: Project FAS 73 covering Survey Project AW-PE-FAS 73, the survey of Access Road to Camp Kilmer. The estimated cost of preliminary engineering is $3,000.00, for which reimbursement will be claimed from 1941 FAS funds under authority of Section 18 of the Federal Highway Act of 1940.

Access Road to Army Depot at Pier D,
Weehawken

(Item 5) The Commissioner approved and determined to execute Project Statement for submission to the Public Roads Administration: Project FAS 74 covering Survey Project AW-PE-FAS 74, the survey of Access Road to Army Depot at Pier 'D', Weehawken.
